Subject: salient on Monday's call

Pamela - below is the salient I plan to submit for the R3 report. If you're OK with it, I'd like to add your name and contact #. Please let me know if this is OK and if you have any edits.

Thanks!

Jennie

Senate Environment and Public Works (SEPW) and House Energy and Commerce (HEC) Committee Staff Briefed on Dimock -- On January 23, 2012, the Pennsylvania Liaison and OCIR staff participated in a briefing for SEPW minority and HEC majority staff regarding EPA's water sampling in Dimock, Pennsylvania. Regional Counsel and Hazardous Site Cleanup Division staff provided background on EPA's involvement and fielded questions about EPA's authorities, response cost, constituents found in water samples, potential link to Cabot, state involvement, and scope of investigation.
